

# Your **GROUP** FOUNDATION

Promoting independent choice instead of in-the-box solutions.  
Whether your group is two lives or thousands.

## Complete Back Office Support

We provide the following Back Office Support Services to save you and your team valuable time:

- Taking your client's group to market and providing you with a "Marketing Comparative Analysis"
- 6 Month Claim Experience
- Annual Renewal Analysis and rate negotiations

## Independent Professional Partners

Don't feel confident you have the expertise to handle a group plan? Our independent partners can support you. They can join you in a meeting and/or do the full marketing and presentation to your client! (Commission split based on support).

Contact your local Financial Horizons Group branch today to get started!

## Third Party Administration (TPA)

There is no need to keep your client in a box. With Group Benefits from Financial Horizons Group, you can tailor make the ideal plan from some of the best companies in the business.

## Insurance Company Partners
